

# Triple Your Money

**Notice: FAiM (a statewide program with funding from the MN State Legislature) was de-funded as of July 2011.** Many advocates are working to get FAiM funding reinstated for the next state budget cycle and in the mean time other funding opportunities are also being explored. The outlook is hopeful and positive. If you are interested in increasing your assets, in owning a home, starting a business or going to college – you should still work with us! We can provide guidance, counseling, coaching, education and occasionally some financial assistance or tools to help you in meeting your goals. We'll also help you improve your credit, reduce your debt and get your spending /budgeting in check. The way to access these resources is to attend a 30 minute agency orientation (Tues at 1pm & Wed at 5:30pm) and then make an appointment for Financial Opportunity Center enrollment. Here you'll get a Financial Coach, and if interested, an Employment/Career Coach as well! All of our assistance is confidential and tailored to meet your needs. We look forward to serving you in this new way! ***If you currently have a FAiM Account – your funding and matched funds are still secured. The cuts to FAiM prevent future savers from enrolling in the program.***
